GRANDSTREAM ANNOUNCES HD IP SURVEILLANCE CAMERA FOR SMB, SOHO AND RESIDENTIAL MARKET

AFFORDABLY PRICED, ATTRACTIVE CUBE CAMERA WITH HD VIDEO RESOLUTION, WiFi/PoE, AND TWO-WAY AUDIO CAPABILITY IDEAL FOR HOME/OFFICE SECURITY PROTECTION

BROOKLINE, MA (MARCH 28, 2012) – Grandstream Networks, the leading manufacturer of IP voice/video telephony and video surveillance solutions, today introduced the GXV3615WP_HD Cube HD (720p) IP Camera for residential, small office home office (SOHO) and small to medium-sized business (SMB) customers. Ideal for indoor security applications requiring HD video at highly affordable price, the GXV3615WP_HD camera offers razor sharp HD720p video encoding/streaming, built-in WiFi, PoE, and support for Voice-over-IP using the popular SIP standard.

Featuring a 2-Megapixel advanced CMOS sensor with high fidelity lens for exceptional video image, multi-rate, real-time (30fps) video streaming using H.264 or Motion JPEG at HD 720p resolution, the new GXV3615WP_HD camera can be installed easily within minutes. In addition, it includes integrated microphone and speaker with support for 2-way audio paging using SIP/VoIP, integrated WiFi (802.11b/g/n), integrated PoE, motion detection, built-in high performance video streaming server to allow 6+ simultaneous HD viewers, electronic pan/tilt/zoom (ePTZ), and large pre-/post-event recording buffer. It can also be managed with GSurf, Grandstream's FREE video management software that controls up to 36 cameras simultaneously or record video using GSNVR, FREE network and PC-based DVR (digital video recorder) software.

"We are very excited to announce the new GXV3716WP_HD camera which packs tremendous features in a sleek, compact form factor at extremely attractive price," said David Li, CEO of Grandstream. "The GXV3615WP_HD represents our latest offering to address the SOHO/small businesses/residential market that demand high quality video surveillance solutions but potentially sensitive to price. We will continue to introduce innovative voice and video convergence products for security surveillance applications."

Pricing and Availability

The GXV3615WP_HD will be generally available for purchase through Grandstream's worldwide distribution channels at a list price of US\$169 by the end of April, 2012. Samples are available immediately.
